Python Lab 1

```
## Package Plan ##

  environment location: C:\Users\tpain\anaconda3

  added / updated specs:
    - anaconda

The following packages will be downloaded:

    package                    |            build
    ---------------------------|-----------------
    conda-4.14.0               |    py38haa95532_0         936 KB
    conda-content-trust-0.1.3  |    py38haa95532_0          86 KB
    conda-package-handling-1.8.1|   py38h8cc25b3_0         729 KB
    conda-repo-cli-1.0.5       |    py38haa95532_0         124 KB
    pathlib-1.0.1              |       pyhd3eb1b0_1          17 KB
    xmltodict-0.12.0           |       pyhd3eb1b0_0          13 KB
    ------------------------------------------------------------
                                           Total:         1.9 MB

The following NEW packages will be INSTALLED:

  pathlib             pkgs/main/noarch::pathlib-1.0.1-pyhd3eb1b0_1

The following packages will be UPDATED:

  conda                              4.10.3-py38haa95532_0 --> 4.14.0-py38haa95532_0
  conda-content-tru~ pkgs/main/noarch::conda-content-trust~ --> pkgs/main/win-64::conda-content-trust-0.1.3-py38haa95532_0
  conda-package-han~                  1.7.3-py38h8cc25b3_1 --> 1.8.1-py38h8cc25b3_0
  conda-repo-cli     pkgs/main/noarch::conda-repo-cli-1.0.~ --> pkgs/main/win-64::conda-repo-cli-1.0.5-py38haa95532_0

The following packages will be DOWNGRADED:

  xmltodict                            0.12.0-py_0 --> 0.12.0-pyhd3eb1b0_0

Proceed ([y]/n)? y

Downloading and Extracting Packages
conda-content-trust- | 86 KB     | ################################################################# | 100%
pathlib-1.0.1        | 17 KB     | ################################################################# | 100%
conda-package-handli | 729 KB    | ################################################################# | 100%
xmltodict-0.12.0     | 13 KB     | ################################################################# | 100%
conda-4.14.0         | 936 KB    | ################################################################# | 100%
conda-repo-cli-1.0.5 | 124 KB    | ################################################################# | 100%
